Please respond to the following questions:

- What are the strengths of this intern?

The reason I gave Suszy Vaile all 5's is because I could feel and see her passion for the counseling field, the students, and the clients. She and Dr. Warden worked so well together in presenting the class. I asked a lot of questions and Suzy was always right there to help me.

2. What are the areas of improvement for this intern?

I know that Suzy may have some areas to improve on, but I just don't know what they would be. She was exceptional and I am so blessed to have had her working with Dr. Warden. They both truly helped us prepare for our futures in counseling.

3. Do you feel that this intern helped you to develop as a counselor? If so, how? If not, how could they have contributed more to your development as a counselor?

Suzy was able to give practical hands-on advice because she walked in our shoes and can give us real time instructions on how to best be prepared. Again, there is a reason I gave her ALL 5's. Thank you, Suzy, for all of your help and knowledge.
